LITTER APPLICATION

Both Sire and Dam must first be registered with WWDR, and in the current owners name before the litter can be registered with us. If either one isn't fill out single registration applications forms either online and submit them or download and mail them into our mailing address. You don't have to wait for the Sire and Dam owner certificates to come back before filling out litter applications. All you must do on the litter application form is fill everything out leaving the registration # section blank. Once we have the dogs in our database they will be issued new WWDR registration numbers. Any litter that is over one years old in age must be single registered do not use this form if they are that age.
